

**Bidder Questions and Answers Matrix for
IFB No. 24-R04**

CLOSED-CIRCUIT TELEVISION CAMERAS (CCTVs) & INSTALLATION

No.	QUESTION/COMMENT	RESPONSE
SYSTEM		
1.	Will the 4G Modem and accompanying wireless account be paid for by NVTA?	Yes.
2.	Will the camera's recording be stored on an existing NVTA server?	<i>No, we would like the recordings to be stored in an NVTA provided cloud account and NVTA would pay the reoccurring cloud costs.</i>
3.	Does NVTA have an existing Video Management Service (VMS)? If so, what is the name of the existing VMS?	Yes, NVTA uses a Genetec VMS.
4.	Confirm that no local street closures are necessary.	<i>No, streets will need to be closed in the City of Napa for installation of the CCTV system.</i>
