## NAPA VALLEY FORWARD INTERSECTION IMPROVEMENTS

*Renderings of Project Options*

### Equity

This project will improve travel for the adjacent Equity Priority Communities located in south St. Helena and the unincorporated area near Yountville. These communities live below the federal poverty line; have significant populations who are elderly, disabled, and/or communities of color; and have a high concentration of non-English speakers.

### Jobs and Economic Development

The project will support Napa's wine and hospitality industries as they continue to recover from the widespread impacts of the COVID-19 pandemic. The project will also create direct and indirect jobs. The improvements will connect to the multipurpose path, the Napa Valley Vine Trail, which runs west of SR 29 between St. Helena and Yountville.

Napa Valley Transportation Authority (NVRTA) is working with the Metropolitan Transportation Commission (MTC) on multi-modal safety and operational improvements on SR 29 Up Valley in Oakville and Rutherford. The proposed improvements under consideration include:

- **Adding a compact roundabout at SR 29 and Oakville Cross Road; and**
- **Signalization and safety enhancements at SR 29 and Rutherford Road**

These options will significantly improve safety and reduce congestion for all modes of travel and operations along the SR 29 corridor.

SR 29 is the only contiguous north-south route that connects Napa to the adjacent counties of Lake and Solano. It is a critical evacuation route during wildfires and other public safety emergencies.

NVRTA will study making improvements at SR 29 and Madison Street in Yountville at a later date.

SCHEDULE	TIMELINE (ESTIMATED)	EXPENDITURE	COST (\$ x 1,000)
Environmental	Winter 2023	Rutherford & Oakville	
Final Design	Summer 2024	PA/ED	\$1,650
ROW Clearance	Summer 2024	Final Design	\$1,650
Construction	TBD funding dependent	ROW & Support	\$1,250
		Construction	\$7,800
		Construction Support	\$1,650
		<b>Total</b>	<b>\$14,000</b>
		Currently Funded	\$8,000
		<b>Additional Funding Needed</b>	<b>\$6,000</b>
